There are plenty of ways to keep your mind razor sharp, even though mental decline is often thought of as inevitable as you age...not true!

Here are some [handy tips](#) to keep you at the top of your game!

---

## Win an iPad 3!

Fortus Health Physiotherapy are giving away a new 16GB iPad 3.

Entry is simple. If you have not 'liked' [Fortus](#) on Facebook already, 'like' them now and enter the sweepstakes to win this great prize.

---

## Brain Tumour Case Study

The patient is a 35 year old man who has had headaches for 9 months, getting worse. Otherwise he was completely well, although in retrospect a slight personality change could be identified. A CT scan followed by an MRI scan revealed a massive right frontal tumour.

Click [here](#) for more information.
